基本設計思想の違い

①一般紙器

四角空間を作り、その中に商品を収納する

②マルチパック

- ・商品の形状に合わせて直接包み込む
- ・商品を保持する為の切込や形状に合わせた曲面などを組合せる
- ・立体的な設計が必要

マルチパック封緘方法

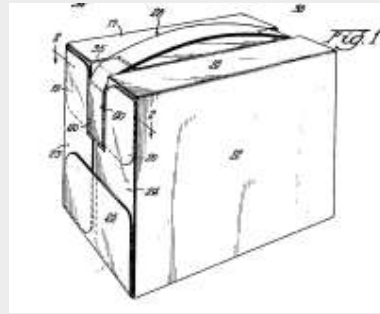

①差込ロック

②切込やタブ固定

③ホットメルト

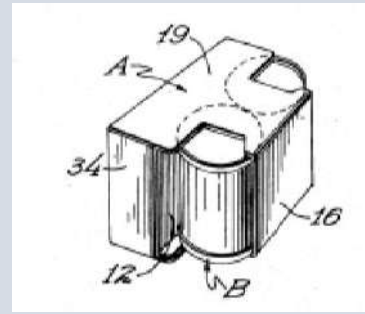

差込ロック形状は、一般的な形状も有るが、各社の特許となっている場合が多い
